

## Evofire 70mm cutout Fire Rated Static Downlight Square White GU10 Holder

Partcode: ILDLFR70D007 / Page: 1

The Evofire Fire Rated Downlight is a safe and attractive fitting for a GU10 or MR16 LED lamp. The fully open design of the Evofire does not conceal your lamp in a large metal canister, which can trap some of the heat it generates, lowering lamp lifetime and performance. Lamps installed in an Evofire run at up to 10 degrees C cooler than a typical can-style fire rated downlight from leading LED brands - this can extend the lifetime of your lamps.

As well being very tough thanks to its steel construction, The Evofire is also a highly aesthetic choice for Fire Rated lighting. The 1mm blend-in bezel is up to 10 times thinner than typical IP65 rated downlights, has a high quality powder coating and fits almost flush with your ceiling, so the downlight looks discreet and pleasing in any setting.

Evofire shown with Real Colour GU10 LED lamp (sold separately).

### Product Details

Partcode: ILDLFR70D007

Check Code: 137214

Range Name: EVOFIRE

Placement / Application: Indoor, General Lighting

Market Segment: Commercial indoor, Residential indoor

Product Type: Fire Rated

Warranty: 3 Years

CE / RoHS: Yes

### Physical Data

Product Finish: Matt white

Material: Steel, Glass

Construction: Pressed Steel, Glass

*Partcode: ILDLFR70D007 / Page: 2*

**Physical Data**

Length: 40mm

Diameter: 85mm

Weight (Unpackaged Single Unit): 70g

Cut Out Diameter: 70mm

Lamp or Luminaire Shape: Square

Luminaire Fixing: Recess mounted

Fire Rating: 30, 60, 90

**Electrical Data****Light Data**

### Environmental

IP (Ingress Protection) Rating: IP65

IP Rating (Back/Recessed side): IP20

### Packaging

EAN Barcode (unit of 1): 5055788228622

Packaged Weight (Unit of 1): 200g

Length (unit of 1): 100mm

Width (unit of 1): 90mm

Depth (unit of 1): 65mm

**Outer packaging info available on website**
